

Sylva Vista Road Association
Completed Wish List Projects
Fiscal 2010/2011 Year

As you know, the SVRA Board of Directors maintains a project wish list in order to solicit resident input as to the necessity for certain projects that pertain to the roads in Sylva Vista. The following projects have been completed so far this fiscal year:

- There was a discussion about the trees along the road and the need to be cut. Doug Cody requested the tree cutting be put on the priority list of items to be considered by the Board. (taken from July 10, 2010 minutes).

Completed - November 2010 - took down approximately 15-20 dead trees that were threatening the road, limbed up trees to about 25 feet and trimmed back bushes that were overhanging the road.

Sincerely,

Your SVRA Board of Directors
